

## Optima C3 LSV 5W-30

Fully synthetic low SAPS engine oil

Product code: M373

### Product Description:

Optima C3 LSV 5W-30 is a new generation fully synthetic multigrade engine oil formulated using the latest developments in synthetic technology together with the most up to date advancements in additive chemistry setting new standards in engine oil performance.

Optima C3 LSV 5W-30 has been developed to enable outstanding performance to be provided along with effective emission control and full compatibility with emission control after-treatment systems. Low SAPS (sulphated ash, phosphorus, and sulphur) additive technology ensures optimum performance of emission control equipment including particulate filters, at the same time providing long term emission system protection, ensuring a high level of continuous pollution control thereby minimising environmental damage.

### Applications:

Optima C3 LSV 5W-30 is particularly formulated to meet the performance demands and requirements of the VAG specifications VW 504.00 and VW 507.00 which encompass high standards of emission control and vigorous high speed styles of driving.

### Benefits:

- **Fully approved by Volkswagen**
- Effective environmental protection
- Ensures lubricant performance over extended drain intervals
- Effective fuel efficiency
- Very high standards of engine cleanliness
- Exceptional long term anti-wear and oxidation stability
- Excellent high and low temperature performance
- Exceptional long term additive response

### Product Specification:

ACEA	C3
VW	504.00/507.00 (fully approved)
BMW	LL-04
MB	229.51
Porsche	C30

## TECHNICAL DATA SHEET

### **Typical Test Data:**

Kinematic Viscosity @ 100°C (cSt)	11.8
Kinematic Viscosity @ 40°C (cSt)	72.3
Viscosity index	160
CCS @ -30°C (cP)	6080
Sulphated ash (% weight)	0.60
Flash Point COC (°C)	212
TBN (mg KOH / g)	8.6

### **Health & Safety:**

Please refer to the safety data sheet, a copy of which is freely available to all of our customers.
