

## Optima FS 0W-40

Fully synthetic engine oil

Product code: M369

### Product Description:

Optima FS 0W-40 is manufactured from fully synthetic base stocks and the latest additive technology available, providing a lubricant with outstanding performance and durability for the most demanding motorist. It offers quicker oil circulation for improved cold starting properties and higher lubricity for reduced internal friction compared with standard mineral based engine oils.

### Benefits:

- Excellent high and low temperature stability
- Provides very high levels of engine cleanliness
- Exceptional anti wear characteristics
- High temperature protection against ring sticking
- Reduced oil consumption and emissions
- Very low volatility

### Applications:

Optima FS 0W-40 is suitable for normally aspirated and turbocharged petrol and diesel engines in passenger cars and light commercials and is suitable for all driving conditions. It is recommended where one of the following specifications is required. It is miscible with all synthetic and mineral based engine oils.
