

Ivo Flo Grease

Semi fluid chassis grease for automatic systems

Product code: Z021

Product Description:

Ivo-Flo is a semi fluid grease made with high temperature calcium 12 hydroxy stearate soap in a top-quality mineral oil.

This grade is suitable for use in automatic systems where an especially soft grease is needed. The grade is dyed red for identification purposes and is also known as auto-chassis grease.

Benefits:

- Ideal for automatic systems
- Semi fluid
- Dyed red

Application:

Ivo-Flo may be used in the majority of automatic systems where a particularly soft grease is required.

Typical Test Data:

Type of soap	Calcium 12 Hydroxy Stearate
Colour	Red
Texture	Smooth, pourable
Penetration (mms ⁻¹) (IP 167)	450 - 500
NLGI Classification	000
Useable temperature range (°C)	-20 to 90
Soap content	Approx 2%
Oil Content	Approx 98%
Water content	< 0.10%
Base Oil Viscosity (KV @ 40°C in cSt)	100
