# Victory Monogrades

Monograde mineral oil based engine oils

Product Code: Refer to table below

## Product Description:

Victory Monograde engine oils are manufactured from high quality base oils and carefully selected additives. They are blended to varying viscosities for a wide range of applications.

## Benefits

- Cost effective
- Suitable for mixed fleet operations
- Available in varying viscosities

## Applications:

The Victory range are suitable for normally aspirated and turbo charged diesel engines and petrol engines in passenger cars, light and heavy commercials, plant, compressor, industrial and certain hydraulic and transmission applications and in certain horticultural applications. They are miscible with all synthetic and mineral based engine oils.
