

# Optima Super Two Stroke

Semi synthetic two stroke oil

Product code: M222

## Product Description:

Optima Super Two Stroke is a specially formulated, high performance semi-synthetic two-stroke oil.

Optima Super Two Stroke utilises the latest additive technology along with a balanced combination of clean burn synthetic and highly refined mineral base oil in order to meet the complex and severe demands laid down by JASO.

## Benefits:

- Ultra low smoke formulation
- Protection against piston and cylinder scuffing
- Prevents pre ignition and power loss by reducing unwanted combustion chamber deposits
- Meets the requirements of JASO FD
- Reduced exhaust blockage contaminants
- High film strength for ultimate engine protection

## Applications:

Optima Super Two Stroke is suitable in two stroke motorcycles of medium to high output but can also be used in other two stroke applications such as mopeds, motor scooters and chainsaws. It is suitable for pre-mix and oil injection systems. Always refer to the manufacturer's handbook for mixing ratios.

## Product Specification:

JASO	FD
ISO	EGD
API	TC

## Typical Test Data:

Appearance	Red
Specific Gravity @ 15.6°C	0.872
Kinematic Viscosity @ 100°C, cSt	6.95
Flash Point °C	140
